

PE and Sports Premium for Primary Schools Impact Review

Total sports premium 2017 - 2018	£17780
<p>Through monitoring and evaluation the academy recognises the positive impact on the quality of the teaching of PE and the need to use our funding further in 2017/2018 to continue and sustain progress in the provision of sport and PE.</p> <p>Having already seen impact of the funding from the previous 4 years we hope for this additional funding to have continued and sustained impact on the provision in PE and sport within our academy. Learning walks, lesson observations and monitoring by SLT and the Deep Experience Lead, have identified several areas to address in PE this year.</p> <p>Over the past 4 years we have used sports funding to purchase a sports partnership package with De Lacy Academy. This year we will be adding Elite Kids coaching to the CPD program to further accelerate impact and broaden each child's exposure to different sports. PE specialists will work alongside our teachers to develop their skills and knowledge to enhance the quality of the teaching. In expanding the number of PE specialists we will be able to provide a wider range of sporting activities for the children to develop and experience. In order to sustain and develop further impact the academy will invest in high quality resources to support PE and sport through the curriculum, break times, clubs and competitions with other schools in the local community. Throughout all PE and sport practice children and will be encouraged pupils to continue to lead healthy lifestyles though an enjoyment of physical activity.</p>	

Objective	What are we going to do?	How are we going to do it?
Raise the standard of teaching and learning in PE.	To improve the PE curriculum and the quality of teaching and learning.	CPD, coaching and mentoring of all teachers using the skills of the PE specialists from De Lacy Academy and Elite Kids Coaching (Model lessons from PE specialists observed, team teaching carried out with PE specialists and teachers, then teachers observed by specialist to ensure impact and next steps in development).

Increase participation levels in extracurricular sport.	To further increase the opportunities for competitive and non-competitive sport within the academy and with other local schools and academies.	All teachers to provide lunchtime and after school sports clubs to encourage children to take part in physical activities. Competitions and interschool events to be overseen by Deep Experience Lead and Lead by Teachers/ Visit leads. Teachers to organize and liaise with other schools and local clubs for sports to maximize breadth and depth of sports on offer. Teachers to run clubs informed by pupil voice.
Increase physical activity during playtimes	Use pupil voice to find out how to engage children in more physical activity.	Purchase further activity boxes based on results of pupil voice and discussions with SLT. Playground provision to include markings for invasion games and football goals. CPD carried out for Lunchtime supervisors on running and organizing games.
Resourcing curriculum and extra-curricular activities.	Purchase outdoor equipment to fulfill the needs of delivering the curriculum to a high standard.	Purchase quality equipment recommended by sports specialists (this will be utilized by our children but also enable interschool events to take place at the academy).

-------	------	-----------------	-----------------	----------	---------------------------------------

Sports/ PE Partnership Membership Package with De Lacy Academy (£4500) and coaching (£2040)	£6540	Head of Academy, Business admin and Deep Lead.	<ul style="list-style-type: none"> • To increase expertise in teaching and learning in PE. Class teachers to observe PE specialists as part of their CPD. • To strengthen links with the local pyramid of schools. • To improve pupil engagement and participation in competitive sports, including inter-school competition. 	Staff have been provided with CPD opportunities in a wide range of sports activities through the use of the sports partnership, which they will continue to use in their own practice.	We will continue to use De Lacy to provide CPD throughout the year through quality first teaching. Look to use another company as well to further develop PE across the academy, and with them create a specific CPD programme tailored to the individual needs of staff. Both De Lacy and the other provider to work towards a competition calendar.
Additional equipment to encourage sports during playtime.	£5600	PE Lead, children.	<ul style="list-style-type: none"> • To increase levels of physical activity • To improve playtime provision for pupils with purposeful equipment. 	Children throughout school are benefitting from the additional equipment provided during playtime and lunchtimes. They are more active on a daily basis, as well as increasing their social skills through playing games with their peers.	Play leaders to be further developed to use playtime equipment and to work with groups of children. New external provider to run lunchtime club which will have the opportunity to develop play leaders to be referees for inter schools competitions
Improve engagement in physical activity through lunchtime and after school clubs.	£240	Head of Academy, Business admin and Deep Lead.	<ul style="list-style-type: none"> • To provide a positive influence for children in which they can enjoy physical activity and the benefits to health that this promotes. 	Sporting clubs were well attended, and as a result a school football team has been set up. Children have continued to engage in the sporting	To further develop staff in PE so they are confident with running after schools clubs. To develop play leaders to be able to run lunchtime clubs

				clubs with staff and have attended sporting events.	
Further outdoor equipment to support teaching of PE and interschool competition provision.	£5400	Head of Academy, Business admin and Deep Lead.	<ul style="list-style-type: none"> • Fixed football/ Rugby posts to be purchased and in place. • Outdoor equipment and markings to be purchased enabling teacher to use CPD from PE specialists and events/ competitions to take place at the academy. 	Outdoor equipment has given the school the opportunity to set up additional clubs and allowed us to provide the children with equipment to practice and prepare for sporting events attended outside of school such as Delta Games.	To buy more equipment resources. To hold inter schools competitions

Meeting national curriculum requirements for swimming and water safety	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	82%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	58%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	68%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
