| <b>Strengthen your learning</b> | Try 3 new games on <a href="https://new.phonicsplay.co.uk/">https://new.phonicsplay.co.uk/</a><br>Write 5 new sounds you have recapped this week.                                     | Paint or draw around your hands and feet to add to your time capsule. Sign and date!  | Facetime or call a friend or family member and tell them how much you love them!   | Play a game outside with a family member - football, throw and catch (it doesn't have to be a ball, can be a teddy, toy, anything!)  |

Can they tell you stories of anything their grandparents told them? | Can you make a musical instrument using recycled materials?   | At the moment we cannot go out for our tea, to McDonald's or a restaurant or anywhere else. Offer to help your grown ups to cook dinner, set the table for them and serve them their meal! | Practise your reaction times like we did in PE! Stand in front of a family member with both arms stretched out in front of you. Hold an object in one hand and let go. Can your family member catch it before it hits the floor? |
| <b>Take the challenge!</b>      | The weather is getting warmer and the flowers are starting to grow! Can you draw and label the different parts of a flower? What job does each part of the flower do?                 | Make your own time capsule to keep your memories in about this time in your life - this could be a cardboard box, an empty bottle, be creative! | Make a video telling your friends what you have been doing/are looking forward to doing when we are back at school. Tweet them to me so your friends can see! @TheValeY1                   | Create your own repeating dance routine with at least 3 steps in it.   |
