

Year 1: Home-School Learning Menu

Weekly Maths Tasks								
We will now be using The National Academy for lessons and resources. This is a sequence of different lessons each week, broken down into year groups. Please use the following link - https://www.thenational.academy/online-classroom Subject - Year 1 - Maths		Monday	Tuesday	Wednesday	Thursday	Friday		
		To compare the mass of 2 objects. (Lesson 6)	To compare the mass of more than 2 objects. (Lesson 7)	To find the mass of objects using non-standard units. (Lesson 8)	To find the mass of objects in units. (Lesson 9)	To experience standard units of mass. (Lesson 10)		
Weekly English Tasks								
This week's spellings: To be completed on paper. 1. Our 2. Friend 3. My 4. Today 5. Some 6. You		We will now be using The National Academy for lessons and resources. This is a sequence of different lessons each week, broken down into year groups. Please use the following link - https://www.thenational.academy/online-classroom Subject - Year 1 - English		Monday	Tuesday	Wednesday	Thursday	Friday
				Katie in London.	To commit a story to memory.	To use capital letters for proper nouns.	To begin to write our story.	To continue to write our story.
Reading task: Online access to Oxford Reading Tree books https://www.oxfordowl.co.uk/for-home/find-a-book/library-page		Choose a reading book from your book band colour & write a book review. Did you like this book? What was your favourite part? Why? Was there any parts you did not enjoy? Why? Would you recommend this book? Who to?						

Year 1: Home-School Learning Menu

Phonics	<p>This week in phonics can you compare 'ue', 'oo', 'u_e' - practise writing words with the 'a' spelling in. Can you put them into a sentence?</p> <p>ue - blue, true, clue</p> <p>oo - food, spoon, hoops</p> <p>u_e - huge, cube, tune</p>
----------------	--

Topic Project Menu: These activities could be completed over a **number of weeks** and should be used to support your child's learning in other areas aside from Maths and English.

	I like to explore	I like being creative	I like being kind and helpful	Time to get physical!
Strengthen your learning	Last week was Captain Tom Moore's birthday. How old was he?	Draw or paint a picture of 5 things you are looking forward to once the lockdown is over.	Facetime or call a friend or family member and tell them how much you love them!	Play a game outside with a family member - football, throw and catch (it doesn't have to be a ball, can be a teddy, toy, anything!)
Deepen your learning	Find out about the life story of Captain Tom Moore - What was his job? Where does he live?	Can you design a birthday card to send to Captain Tom Moore?	At the moment we cannot go out for our tea, to McDonald's or a restaurant or anywhere else. Offer to help your grown ups to cook dinner, set the table for them and serve them their meal!	Practise your reaction times like we did in PE! Stand in front of a family member with both arms stretched out in front of you. Hold an object in one hand and let go. Can your family member catch it before it hits the floor?
Take the challenge!	Can you write a fact file and draw a picture of Captain Tom Moore?	Make your own time capsule to keep your memories in about this time in your life - this could be a cardboard box, an empty bottle, be creative!	Make a video telling your friends what you have been doing/are looking forward to doing when we are back at school. Tweet them to me so your friends can see! @TheValeY1	Create your own repeating dance routine with at least 3 steps in it.
