TEACHERS STRIKE

INDUSTRIAL ACTION – NEXT WEEK

The National Education Union (NEU) representing some teachers in schools have voted to take industrial action in the form of a strike on Wednesday 5th June and Friday 7th June.

We respect the teachers' right to take this action in the dispute they have with the Department of Education. However, we recognise that this will be disruptive to children's education and can create problems for parents and carers.

We are therefore working to provide as much notice to parents about the plans for both days.

The disruption created by this strike day, and the need to have regard to the health and safety of pupils, has been assessed and as a result, the academy has decided to partially close to pupils.

The following year groups will be closed on Wednesday 5th June and Friday 7th June:

- Reception
- Year 1
- Year 3

Please note – that other year groups may also strike and I will provide you with this information as soon as I have it.

Have a safe and restful weekend!
