

Mr Singh's weekly message

Dear Parents and Carers,

It has been an excellent restart to the Autumn term with lots planned in to celebrate and showcase.

I am so pleased with how quickly the children have settled back into their routines and I look forward to welcoming parents to the Mathletics House games which will take place on the 4th and 6th of December. Those children who wish to represent their houses will be given letters about the event – these will be going out next week.

There is also a very special academy announcement which will be sent out to you shortly after this newsletter.

Please see below for our key messages:

PARENTS EVENING

We look forward to welcoming parents this Thursday. Please note that appointments are 10 minutes long and are an opportunity to discuss how your child has settled into their new year group. Like last year – these will take place in the school hall. Please arrive 5 minutes before your scheduled appointment. Late arrivals may result in you not being able to see your child's teacher.

MATHS COMPETITION

Some of our Y5 children took part in the Imagination Gaming event at Education House this week. They had the opportunity to use their amazing maths knowledge and skills and apply it to a range of challenging puzzles. The children did extremely well and finished second across several Delta Academies.

Best wishes
Mr J Singh
